

RECESSED OVERHEAD COLLECTION

INTERIOR-EXTERIOR OVERHEAD LIGHTING

THE FUTURE OF LIGHTING IS NOW!

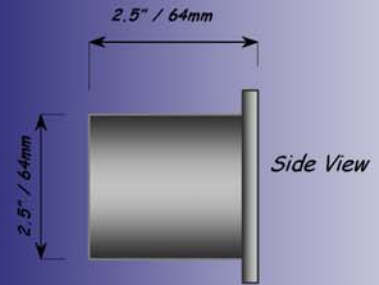

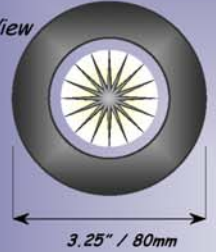

Designer Lighting Solutions creates fixtures with the understanding that options are important.

This unique line of overhead fixtures provides you with not only the highest quality CNC machined materials but also the ability to choose your light output and change it effortlessly if you so desire. By using the MR16 lamp, you will have the option of choosing a halogen lamp or an LED. This lamp can be changed to suit your needs with over 15 different beam spread options and endless LED colors to choose from.
